

Descriptions

Portable power supply test box

Battery power supply

Double-color light indication

Buzzer indication

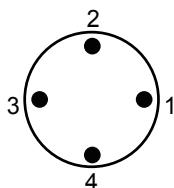

M12 Connector

For sensors using connector M8 or M12 connector

Technical Data

Power Supply	2x 12V 23A batteries (included)
Supply voltage	24VDC
Load current	10mA
Red LED	PNP Signal
Yellow LED	NPN Signal
Buzzer	PNP/NPN Signal detection
Connection Form	M12 male connector, 4-pins and cable set M8, 3- and 4-pins (included)
Working temperature	-10...+45 °C
Storage Temperature	-10...+60 °C

Output

Serial number	Wire color	Function
1	brown	24VDC
2	white	Signal
3	blue	0V
4	black	Signal

Dimensions
