

- for T-groove cylinder, Insertion from above
- Electronic version, DC 3-wire
- 32 x 5 x 5 mm

Output	PNP-NO
Supply voltage UB no-load supply	10 - 30 V DC
Current Io rated operational	≤ 10 mA
Current Ie voltage drop Ud	max. 100 mA
Switching frequency f operating	≤ 3 V at Ie = 100 mA
Temperature range short circuit	max. 2000 Hz
Protection / at current reverse	-25°C ... +80°C
Polarity protection	clocking / min. 130 mA integrated
Switching-distance sn	depending on magnetic field
Dielectric test voltage ac (rms.) Ui	--- V
Degree of protection acc. to DIN 60 529	IP67
On/off indication	LED
Connection	300mm PUR-cable plug with thread M8x1
Housing material	plastics
